COVID-19 Response

4

ambulances, 2 four-wheel drive vehicles and 1 PCR extraction machine purchased and handed over to mission hospitals to strengthen disease surveillance and response

36

EHTs provided with laptops, tablets and phones to use in disease surveillance

130

Environmental Health Technicians (EHTs) were trained on disease surveillance and are now deployed

580

VHWs recruited, trained and deployed increasing the coverage in the targeted districts to at least 81% of villages with VHWs

812

community peer supervisors were identified and oriented on supportive supervisory, mentorship and coaching skills

168

health workers from 19 Health Facilities (7 ZIRP-supported mission hospitals and 12 Regional Council Clinics) were trained on case management and IPC ; and are now deployed

45% of rehabilitation works have been completed at St. Peters Isolation ward

99,839

specimens have been transported to government labs for testing

4,276

UNICEF VHWs and 9 UNICEF Health training centres in Chimanimani and Chipinge districts received PPEs and IPC

18

motorcycles procured for delivery specimen transportation

5

ZIRP-supported mission hospital labs received supplies and consumables

10

art murals have been completed for community messaging targeting nearly 2.5 million people indirectly in the 9 ZIRP districts

In addition to procurement of PPE, ZIRP has supported the health systems response to COVID-19 through capacity strengthening at institutional and community level by reinforcing COVID-19 surveillance, lab support, case management, IPC, including RCCE and continuity of essential services in line with the COVID-19 National Response Plan and priorities. Health interventions, with the exception of construction works, are now complete.
